In Kappl, the "Sunny Mountain Club" starts from three years and is available from 9:00 to 15:30. Morning or afternoon childcare costs six euro without food. The "Sunny Mountain member hotels" in Kappl are a network of child-friendly accommodations in all price categories, offering many inclusive services and extras for families. Thus children can expect e.g. a Flaxi lucky-dip bag on arrival, and are looked after in the "Sunny Mountain guest kindergarten" for free. All the details: [here](#).

3. Children's discounts in the ski area

In Paznaun, children under the age of eight accompanied by one parent ski for free in all four ski areas. New in Ischgl in winter 2018/19 with the VIP ski pass (available with the guest card from Ischgl/Samnaun): Children under 10 years are free when accompanied by an adult. Good to know: In Galtür, teenagers under the age of 19 ski at the children's rate and families benefit when buying a family ski pass.

4. Pistes and fun parks for all requirements

In the four Paznaun ski areas, families will find skiing fun in a wide range of difficulty levels on a total of 365 km of slopes. Those who want a sniff at their first airtime are in the right place in

the Funpark See on mogul training runs and medium-kickers. In the Funpark Alblitt in Kappl, beginners and the advanced can show their mettle on a beginners'- and medium-line at various obstacles. The advanced and whizzes can hone their performance in the two sectors in the Ischgl Snowpark powered by JEEP on rails, boxes and obstacles designed by Schneestern. And those looking for variety will find it in Galtür on the pistes and six sectors in the multiple award-winning Silvapark. Action-tip: A ride down into the valley with the zip line Ischgl Skyfly.

5. Snow guarantor Paznaun

Thanks to an altitude of 1,040 to 2,872 m above sea level and the special geographic location of the four ski areas, winter sports fans can expect unclouded skiing bliss in Paznaun from the end of November to the beginning of May.
