5. Pistes and fun parks for all requirements

Skiing fun for everyone? In the four Paznaun ski areas, families will find skiing fun in a wide range of difficulty levels on a total of 365 km of slopes. Those who want a sniff at their first airtime are in the right place in the Funpark See on mogul training runs and medium-kickers. In the Funpark Alblitt in Kappl, beginners and the advanced can show their mettle on a beginners'- and medium-line at various obstacles. The advanced and whizzes can hone their performance in the two sectors in the Ischgl Snowpark powered by JEEP on rails, boxes and obstacles designed by Schneestern.
