Since its beginnings, the Ganghofer race in Leutasch can look back on more than 50 successful events. A thoroughly impressive success story, which also significantly characterizes the continuing quality of the oldest and most popular cross-country skiing race in Austria.

After last year's run had to be cancelled due to the pandemic for the first time in history, we are now more than pleased to be celebrating the most popular cross country race FINALLY TOGETHER AGAIN!

The legendary Ganghoferlauf was not only the last race before the first lockdown, but is also the first popular race to be held again since the beginning of the pandemic in Austria. An absolutely special occasion for all participants, organizers and volunteers alike. We really can't wait to celebrate real sports moments together again!

CLASSIK, SKATING & COMBINED

The 16-kilometer long Leutasch Valley is known far beyond the borders for its incredibly beautiful and varied trails - a true cross-country skiing El Dorado.

Starting with the classic discipline on Saturday 5th, men and women will compete over 25 and 50 kilometers. Another highlight: At the expo-area in the finish area at the Leutasch soccer field, well-known manufacturers will showcase their latest high-tech equipment and offer professional waxing services.

Sunday 6th is all about skating, with men and women competing over 20 and 42 kilometers. Whoever is up for a real challenge, may choose to compete at the Ganghofer Combined, where the classic and skating long distances of both days are ranked together.

The 51st Ganghoferlauf will again be held as an official Euroloppet race and is also part of the Visma Ski Classics Challengers race series on both long distance races.

All participants can of course again look forward to receiving numerous goodies - such as our traditional functional starter gift plus free admission to the ErlebnisWelt Alpenbad Leutasch (only at the competition weekend). There will be no big celebration after the race this year. Instead, the official flower ceremony will take place directly in the finish area, where each participant will also receive their winner's medal. Additionally, all starters will receive a meal voucher that can be redeemed in one of the many excellent restaurants in the region – for all the big moments with your small group of besties.
