

SPRING CLASSICS 2023 - “THE GREATEST CLASSICS SINCE YEARS” FROM APRIL 15TH 2023 ON / Snowpark Kaunertal

Temperatures are rising, snow is getting slushy, season is coming to an end – our cue to experience epic days, epic weeks in the snow once again!

This year the Spring Classics offers a mix of revived classics as well as new events and make our snowboard and freeski hearts beat faster. Which is why we can't help but call them – the greatest classics since years.

It's that time again – the Snowpark Kaunertal opens its doors again for the Spring Classics and invites you to numerous event highlights full of action and fun. The perfectly shaped park offers excellent conditions for an unforgettable end of the season full of classics like the GAUNERSHRED or the OBERLAND TOUR, but also grandiose highlights like the GAPTASTIC VOYAGE 2.0 ROADGAP INVITATIONAL or the KAUNERTAL BANKED SLALOM. In any case, numerous reasons to end the season properly together with your shred buddies.

Halfmile-Jibline is back

It's back – the halfmile-jibline, which can be reached via the Karlesjochbahn, guarantees the longest park run and offers numerous opportunities to prove yourself on the rails, tubes and boxes from top to bottom. If the snow conditions allow, visitors can also look forward to a kicker line at the Ferner T-bar. Lots of variety, lots of options guarantee lots of fun!

Spring Classics x Freizeitticket – Bonus Partner Special

Again this year there is a cooperation between the Kaunertal Glacier and the Freizeitticket. Owners of the Freizeitticket only pay 25 euros for day tickets as adults. Youth/seniors 22 euros, children 15 euros. Children born in 2015 and younger ride free. The Tirol Snowcard is valid up to and including May 15th. & OBERLAND TOUR STOP - BEZIRKSMEISTERSCHAFTEN

This year, the „shredlife“ club invites again to the freestyle contest in Snowpark Kaunertal held as a jam session with participants in various categories.

The focus is on having fun and exchanging ideas with other riders. Since all categories ride at the same time, it is more of a togetherness and enables mutual inspiration.

On the same day, the freestyle locals compete against each other as part of the Oberland Tour (district freestyle championship) and have a chance to secure a place in the district squad.

The boys and girls can demonstrate their skills in various categories in the multi-faceted Snowpark Kaunertal.

UK SPRING BREAK IS BACK!

After a few years break we are really looking forward to the return of the legendary UK SPRING BREAK series. UK Spring Break is not only a „get together“ for British retailers, but also a meeting place for international snowboarders and brands, who are able to extensively test the latest equipment in the Snowpark Kaunertal. You are cordially invited to test together and ride in the park and on the slopes.

04. – 07. MAI 2023

THE RETURN OF THE MONSTER SESSION

The first Monster Session took place in 1999. The idea was to give photographers an opportunity to shoot their archives before season kick-off with some nice shots of teamriders riding the latest equipment.

This concept will also be followed in this years rerun. On top of that, the event opens up for you as your shots will also be freely accessible on Snowboarder MBM and our website. So be there and save your cover picture.
