

2023 WORLD MOUNTAIN AND
TRAIL RUNNING CHAMPIONSHIPS

Fringe program at the World Mountain and Trail Running Championships 2023

During the World Mountain and Trail Running Championships (WMTRC) Innsbruck-Stubai, which will take place in less than a month from June 6 to 10, a great "off-trail" program in addition to the main event is offered. Besides Gregor Meyle (opening), Tim Bendzko (closing), other live acts, film screenings, art, culture and culinary delights and also large expo areas in Innsbruck and Stubai will guarantee a World Cup feeling.

Before and after the competitions spectators can find everything the heart could possibly desire. Those who want to get active themselves can compete with the pros at the public races "KRONE Race to Höll" on June 6 in Innsbruck and "SPORTLER Vertical" on June 7 in Stubai and have the chance to run two of the World Cup routes.

A highlight overview of selected events:
