

## DIAMOND BEATS by Nassau Beach Club: swap sand for snow

What do a glamorous beach club and top locations in the middle of a ski area have in common? The ultimate Nassau Beach Club crew brings DJ sounds and lounge vibes straight to the heart of Gurgl's ski area from 12 to 16 March 2025. The exclusive multi-day DIAMOND BEATS by Nassau Beach Club winter festival is spread across five scenic locations - right on the slopes of Gurgl and access to the dance floor in the public area is already included in the skipass.

### Five days, top locations, DJs & artists

From Kirchenkarhütte to Top Mountain Crosspoint, from Festkogel Alm and Hohe Mut Alm to Top Mountain Star - **each location offers an awesome setting for stylish winter clubbing events.** On Wednesday, 12 March, Diamond Beats starts at 11.30 at **Festkogel Alm.** In addition to the international music acts, there is a prime tapas buffet. The sunny terrace welcomes you with breathtaking views.

On day two, **Hohe Mut Alm** invites you to celebrate on the large terrace, enjoying panoramic views of 21 three-thousand-meter peaks and special Mediterranean treats.

Things get a little more exclusive on Friday: **Top Mountain Star** at 3,030 m invites you to join the Ultimate Summit Experience, admission is free. Diamond Beat with signature dishes & drinks, wine service by Austria's award-winning sommelier Maximilian Steiner as well as DJ sounds and lounge vibes in a breathtaking location.

Scenic **Kirchenkarhütte** – both modern and rustic - attracts visitors on Saturday, 15 March, with top music from the Nassau Beach Club artists, food and drink specials.

**Top Mountain Crosspoint** Restaurant nestles at the foot of the Timmelsjoch High Alpine Road and next to Europe's highest Motorcycle Museum. Thanks to its

impressive mountain panorama, the place is perfect for the last festival day in Ibiza style.

### Three festival areas

In true festival style, the locations (with the exception of Top Mountain Star) are divided into different zones.

- The **public area** is freely accessible to anyone who wants to feel the beat, and it includes also a dance floor with bar.
- Stylish seating in the **lounge areas** is available for dance breaks. Here you can enjoy the alpine panorama with DJ beats in the background. Admission is free: first come, first serve.
- Only guests with a reservation have access to the **VIP tables**, where table service provides specially created Diamond Beats dishes and drinks.

### Diamond Beats by night

On two festival days, Ibiza vibes continue even after the lifts close: at Downhill Grill umbrella bar on Thursday from 21.00 and at Gurgl Carat on Saturday from 21.00.
