A breath of fresh air for your summer holiday

From 14 June, a new summer season will be kicking off in the three mountain villages of Serfaus, Fiss, and Ladis – with [new highlights](#) for explorers and connoisseurs: the *Georama Circular Trail Lazid* opens this summer and will lead families on a 1.5-kilometre circular trail through the Serfaus mountains, setting out from the Lassida mountain restaurant. It combines geology, landscape, and enjoyment in a playful way. The several marble runs you can play on with stone balls are a special highlight along the path. On the redesigned *Family Adventure Trail* in Serfaus, children become little naturalists – equipped with a puzzle booklet, they make their way through a fairytale forest, across various climbing and obstacle courses, and to stunning viewpoints. The *Wildlife Trail* in Fiss opens a window onto the local fauna: deer, eagle, and the like come to life for young and old thanks to augmented reality. A new dimension of exploring and experiencing nature up close.
