

## **Sun, snow & atmosphere: Spring skiing in the Stubai Valley**

Celebrate the rest of the ski season with event highlights

**On the Stubai Glacier, the largest glacier ski area in Austria, at over 3,000 metres, there is still enough snow for winter sports in May. In the Schlick 2000 skiing is possible until after Easter. In addition to the fun on the slopes, some other highlights await guests in spring: At the Ski & BBQ, winter sports enthusiasts can fortify themselves with delicious grilled dishes. The Freeride Festival combines the equipment test with exciting workshops, courses and opportunities for get-togethers. The STUBAI WILD RIDE, one of the most spectacular and longest giant slalom courses in the Alps, inspires both participants and spectators.**

In the Stubai Valley, the ski season ends in spring weather. With the first warm rays of sunshine, winter sports become even more comfortable: While some make their turns on the perfectly groomed slopes, others take advantage of the good weather and the longer days for idyllic winter hikes. For the break, they go to one of the cozy huts. There, winter sports fans can relax on the sun terrace, indulge in culinary delights and enjoy the breathtaking mountain panorama.

### **Ski & BBQ in the Schlick 2000: Barbecue pleasure at 2,000 meters**

All those who are already looking forward to the barbecue season should not miss the Ski & BBQ event on the weekend of March 14/15 in the Schlick 2000. Spicy steak, tender chicken or glazed salmon on cedar wood - at an altitude of 2,000 metres, a regional grill team provides culinary delights directly at the Kreuzjoch Panorama Restaurant. For the exuberant atmosphere, DJ KM FLEX will play on Saturday and DJ ALLSPICE on Sunday - both from 11:00 a.m. on.

### **Freeride Festival at the Eisgrat mountain station**

The Powder Department on the Stubai Glacier is a paradise for freeriders with its deep snow and untouched slopes. All visitors who want to test the brand new winter sports equipment of the 2026/27 season in advance free of charge and without obligation, can let off steam at the Freeride Festival on the weekend of 21/22 March. The event will be complemented by interesting workshops and safety training. Local guides show experienced freeriders new and unfamiliar terrain, while beginners are guided in their first attempts off-piste. At the after-hour, everyone is invited to exchange ideas in a relaxed atmosphere and talk to the professionals of the sport.

### **Epic Rides, Epic Valley – STUBAI WILD RIDE**

On Saturday, April 18, the second edition of the former "Wilde Grube Ride" will take place on the Stubai Glacier under the new name STUBAI WILD RIDE. On one of the most spectacular and longest giant slalom courses in the Alps, professionals and ambitious amateur skiers show off their skills. Anyone who dares to overcome over six kilometres, 920 metres in altitude and around 160 gates at top speed can [register online](#) for the event until Tuesday, 14 April. There are a total of 321 starting places available, and the minimum age of the starters is 16 years. The STUBAI WILD RIDE is also an unforgettable experience and an absolute highlight at the end of the Stubai winter season.
